What We're Working On

MATH

- I can explain the value of each digit in a three-digit number.
- I can choose when to use addition in a word problem.
- I can use mental strategies like making ten to add numbers.
- I can recall all sums of two one-digit numbers (doubles)
- I can recall from memory all sums of two one-digit numbers (making ten)

READING

- I can ask and answer questions before, during, and after reading a text.

WRITING

- I can brainstorm a list of meaningful ideas for my narrative pieces.

Engineering Challenge

Our first challenge was fantastic! I have posted photos online and a link to our Flip Gram can be found on our classroom website. The video can also be found here: <https://flipagram.com/f/clFPKIJlkj> We are looking forward to many challenges ahead! And yes, we still need more newspaper! THANKS!

Homework Logs

First of all, I'd like to apologize for the typos on last week's homework logs. I'd also like to thank you for supporting the homework routine by signing and managing hw logs at

Upcoming Dates

- Tuesday, Sept. 29th – Library Field Trip
- Friday, Oct. 2nd – Spirit Day!
- Friday, Oct. 9th – Tie-Dye T-Shirt Pillows

This Week's Math Skill

Same as last week - I can count combinations of pennies, nickels, dimes, and quarters.
