

AUGUST 2015

Miss Hoch's Herald

Drop-in and Say Hello

I would love to meet you before the school year begins! I will be at Lyon on **August 21st from 10am-12pm**. Feel free to stop in **Room 21** to say hi and get a sneak peek at your new classroom!!

Starting the Year

On the first day of school I will provide a mid morning snack for you. After that, you are welcome come to school with a fruit or vegetable. You may also bring a water bottle in order to stay hydrated throughout the day. Parents, more information on snack/water bottles will come home on the first day of school.

Family Photo

I am excited to start the year! In the first two weeks, we will create a project together to help us get to know each other. **Please bring one or two pictures of your family to share with the class by Friday, August 28th.** Parents, please provide pictures that we can keep at school for the year! ☺

Bring Your Favorite Book for the First Day!

We have lots planned for the first few days of school. Please help us to celebrate reading by **bringing in your favorite book on Tuesday, August 25th!** It could be a picture book that you've just read, an adventure, or a long time favorite! We will share these books on the first day of school. I will also share some of our 2nd grade favorites in the room 21 library! ☺

Welcome to Second Grade!

My name is Miss Hoch (rhymes with sock, rock, and clock ☺) and I can't wait to get the school year started! We will learn how to be mathematicians, scientists, explorers, readers, and teammates as we grow together in room 21.

I hope you have enjoyed your summer. I have spent mine reading, biking, waterskiing, and relaxing. I also had the wonderful opportunity to travel to Thailand!

I cannot wait to hear the adventures you've experienced during your summer.

I am excited to get to know you and learn with you this year!!

**Sincerely,
Miss Kristen Hoch**
